Pacifica Culinaria adds “avocado oil mayonnaise” to its line of gourmet products. In answer to the increasing demand for Pacifica Culinaria’s avocado oil products, owner Debbie McIntyre developed a unique all-natural mayonnaise which has 100% avocado oil as its base. Avocado oil is high in monounsaturated fat and is fast becoming a consumer demand. A second avocado oil mayonnaise is made with roasted garlic oil adding a robust flavor. Only high quality ingredients are used to create this innovative condiment. Contact: Miriam Morel (800) 622-8880 or Miriam@thinkavocado.com
